Dear Mr.Howard:

As discussed during our conversation of January 30th, I am pleased to upoate our budget proposal for a back up compressor for the Joy reciprocating type now at the filtration plant. As the Authorized Joy Distributor for Indiana, I offer Joy reciprocating and rotary screw designs for your consideration. I recommend the reciprocating compressor Model WG-9 since the plant already has the one Joy reciprocating unit and because the expected life of the reciprocating type exceeds that of the rotary screw.

Sample specifications are enclosed for your use for both types of compressors.

Because of our committment to rapid availability of replacement parts, Scott Industrial Equipment Company stocks parts in Elkhart and Indianapolis, Indiana. As a back up, Joy Manufacturing's warehouse is at Elk Grove Village, Illinois and factory is at Michigan City, Indiana. As you require replacement parts for your existing Joy compressor, please feel free to contact Scott at the Elkhart branch.

Your consideration is sincerely appreciated. Scott Industrial Equipment is eager to be of service to you.

Very truly yours,

SCOTT INDUSTRIAL EQUIPMENT COMPANY
